

## Product Summary

AlkaLime is a precisely balanced alkaline mineral complex formulated to neutralize acidity and maintain desirable pH levels in the body. Infused with lemon and lime essential oils and organic whole lemon powder, AlkaLime also features enhanced effervescence and biochemic cell salts for increased effectiveness. Eight key calcium-based biochemic cell salts have been added to help support cellular health and protect against damage caused by high acidity in the body. A balanced pH is thought to play an important role in maintaining overall health and vigor.

## Primary Benefits

- + Helps maintain proper pH balance\*
- + Supports overall health and vigor\*
- + Supports overall cellular health\*

## Who Should Take AlkaLime?

- + Individuals who are interested in balancing the body's pH level and regulating acid in the digestive system.

## Suggested Use

- + Add 1 level teaspoon into 4–6 ounces of distilled water, mix thoroughly, and drink immediately. Mix only with water.
- + Take 1–3 times daily, one hour before meals or retiring to bed as an aid in alkalizing.

## Cautions

- + Keep out of reach of children.
- + If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use.
- + Not recommended for sodium-restricted diets.

## Did You Know?

- + Diffusing lemon essential oil has been shown to dramatically improve mental accuracy and concentration.
- + Lime is native to South Asia and is high in limonene and eucalyptol.
